"It is official! I am over the moon to be admitted as a solicitor after qualifying under the SQE route. I am very grateful for all of the support I received from The College of Legal Practice and for their brilliant preparation for both SQE1 and SQE2."

Dan Abel, LLM & SQE student, Qualified Solicitor

"You have your own pastoral support and dedicated person to speak to about your overall personal challenges and that, for me, was unmatched. When I compared the College to other providers, none were able to provide that level of guidance or support."

Ruth Ekong, SQE2 student, Qualified Solicitor

"After juggling a newborn baby and studying for the SQE1 exams, I am over the moon to have received my results today and confirm that I have passed both exams! It was hard work spending every spare minute studying, practicing and revising but I'm so glad that it was all worth it. I can't thank The College of Legal Practice enough for all their support and for providing an excellent course."

The College is fully committed to ensuring that its information, learning and processes are accessible and relevant to all who aspire to become a solicitor, and we are very proud of our diverse student cohort. We welcome all learners and aim to have an inclusive environment for all students and staff.

Disabilities, mental health and wellbeing support

Our team is here to support everyone. We encourage you to share any issues related to disability, learning requirements or wellbeing that may affect your ability to study as early as possible in your considerations to study at the College. We may need some time to put in place reasonable adjustments. We can work with you at every stage to ensure that you can learn effectively. During your studies, you will be able to speak with your personal supervisor or Student Services about any circumstance affecting your learning and they will guide you through any adjustments required for either the College's or the SRA's assessments. We also provide free wellbeing resources and counselling sessions for all students.

Get in touch if you would like to discuss your requirements **info@collegalpractice.com** or call **020 3884 4112** to speak to our team.
